

CURRICULUM VITAE

MORTEN LEVIN

**Professor
Organization and Work Science
Department of Industrial Economics and Technology Management
The Norwegian University of Science and Technology
N   7491 Trondheim
NORWAY**

**Phone, office: + 47 930 58 775
E-mail: Morten.Levin@iot.ntnu.no**

EDUCATION, etc.

- 1981 Graduate work, Mag. art, in sociology, Department of Sociology, The University of Trondheim. Major field: Work Sociology
- 1967 - 1971 Student at the Norwegian Institute of Technology. Three years study of mechanical engineering, then Master in Operations Research and Economics
- 1966 - 1967 Apprenticeship as a mechanic at an electrometallurgical company; Orkla Gruber, Ferrolegeringsverket
- 1966: Completed pre-college at Orkdal Gymnas

PROFESSIONAL POSITIONS

- 2002 - Professor, Department of industrial economics and technology management, The Norwegian University of Science and Technology
- 2004-2005 Visiting scholar, Mario Einaudi Center for International Studies, Cornell University, Ithaca, NY, USA
- 2000 - 2007 Scientific adviser, SINTEF Technology and Society, New Praxis
- 2000 Visiting scholar, Department of Anthropology and Institute for European Studies, Cornell University
- 1998 - 2000 Research director, SINTEF Industrial Management
- 1997 - 2002 Professor Department of Sociology and Political Science, The Norwegian University of Science and Technology, Trondheim
- 1994 - 1995 Visiting scholar, Department for City and Regional Planning, Cornell University, Ithaca, NY, USA
- 1992 - 1997 Professor, Department of Organization and Work Science, The

- 1987 Norwegian Institute of Technology, The University of Trondheim
Visiting scholar, New York State School of Industrial and Labor
Relations, Cornell University, Ithaca, NY, USA
- 1982 - 1992 Associate professor, Department of Organization and Work Science,
The Norwegian Institute of Technology, The University of Trondheim
University, Ithaca, NY; USA
- 1976 - 1977 Assistant professor, Department of Social research, The Norwegian
Institute of Technology, The University of Trondheim
- 1973 - 1982 Researcher at the Institute for Social Research in Industry (IFIM) (On
leave 1976/77)
- 1972 - 1973 Research Assistant at The Royal Norwegian Defense Research
Establishment , Kjeller, Norway
- 1971 Taught organization theory at The Trondheim College of
Engineering

PROFESSIONAL AFFILIATIONS

Member of the editorial board of:

Systemic Practice and Action Research (journal)
Journal of Action Research
Handbook of Qualitative Inquiry
Handbook of Action Research
Evaluation and Society

Reviewer:

Human Relations,
Evaluation
International Journal of Technology Management
Journal of Action Research
Klüver Press
Systems Practice and Action Research
International Journal of Human Factors

Editor special issues:

Higher Education in Action Research, in Action Research, 2007
The Engaged Researcher, in Systemic Practice and Action Research, 2007
Cross Boundary learning Systems, in Systemic Practice and Action Research, 2004

PROFESSIONAL COMMITTEES, etc.

Member of international committee evaluating the entire Danish PhD education (2006)
Chair, National accreditation committee for a Ph.D. program at The Norwegian
Business School (NOKUT akreditering) (2002)

Member/chair of hiring/search committees for academic positions:

National committee in sociology (Norway)
The Royal Swedish Institute of Technology
Agder University College
The University of Stavanger
The University of Stockholm
The Norwegian University of Science and Technology
Vestfold University College

External examiner, DBA at Hull University

External Ph.D. examiner at:

The Norwegian School of Economics and Business Administration
The Swedish Business School, Stockholm
The University of Helsinki
The University of Oslo
The University of Stockholm (dosentansökning)
The University of Tromsø

PROFESSIONAL ASSOCIATIONS

The Norwegian Sociological Associations
Academy of Management
The American Evaluation Association

AWARDS

- 2004** Best teaching award, Department of Industrial Economics and technology Management (Together with Roger Klev)
2002 Award for most innovative teaching at the Norwegian University of Science and Technology
1995 Best Paper Award, World Conference on Integrated Design & Process Technology

TEACHING

Levin has been teaching a number of courses both at undergraduate and graduate level. This teaching activity has spanned from introductory courses in sociology, work life research, team work , graduate courses in organization development, public administration, leadership and courses at Ph.D. level in organization theory and organization development and information technology.

Levin has advised more than 80 students for their master thesis and 40 students for their Ph.D.

DIRECTED RESEARCH PROGRAMS

Levin has directed several large multi disciplinary PhD programs, all funded from the Norwegian Research Council

SUM-program: (1989 - 1994) Action research based evaluation connected to the national BUNT program. The responsibility was to evaluate and research the BUNT program. 6 PhD students were enrolled in this program

INPRO program: (1993-1997) A program with a focus on operation of process plants. Integrated social science and technology is the same PhD program. 6 students were enrolled in the program,

EDWOR program: (2002 . 2010) A PhD program under the umbrella of the Norwegian VC2010 program. Both national and international students participate. 20 students are enrolled in the program . two cohorts are planned)

PUBLICATION SCORE ON GOOGLE SCHOLAR

Score: 1119 Book: **An Introduction to Action Research Social Research for Social Change 1&2 ed.**(Published together with Davydd J. Greenwood), Thousand Oaks: Sage, 1998

Score: 221 **Reconstructing the Relationships Between Universities and Society Through Action Research**, (Published together with Davydd J. Greenwood) in Denzin, N K. and Lincoln, Y S. , Handbook of Qualitative Research, second edition, pp. 85- 107, Thousand Oaks: Sage, 2000

Score : 176 Chapter in book: **Co-generative Learning. Bringing Participation Into Action** (Published together with Max Elden) in Whyte W F, Participatory Action Research, Newbury Hill: Sage, 1991

Total score : 2066

PUBLICATIONS (Reviewed papers and books)
