NOTES
A. There are a total of 9 (nine) courses, 3 (three) of which are Common Courses with PIMS & PING Programs, and 6 (six) are PIMS courses. Each course is equivalent to 7.5 credits, for a total of 67.5 credits available. It is required that 60 credits be completed. Therefore you may opt out of one of the ELECTIVE courses of your choosing with advisor input.
B. All PIMS courses are to be held in Orkanger, just outside of Trondheim, unless otherwise communicated. COMMON course will either be held in Orkanger, or at BI Oslo, or other venue. Please verify location.
C. It is expected that each participant will write an independent research related synopsis for each course. See Due Date Column. See "General Principles and Evaluation" document for specific requirements. Please submit said synopsis by the stated deadline.
